Info Day #2

University of Tirana

In the framework of INTERBA project, on 11 October 2022, at the Faculty of Economy of the University of Tirana, the activity "INTERBA INFO DAY - INTERNATIONAL PROJECTS UT" (Dissemination and Exploitation Meeting in Albania) took place. During this meeting, the main focus was on one of the main products of this project: the e-learning platform (Moodle), training courses and experts. This activity welcomed about 40 colleagues and academics, in the role of project coordinators and members of working groups in international projects implemented by the University of Tirana, which they contributed with their expertise gained from the international projects implemented by the University of Tirana over the past 5 years.

Info Day #3

Universum College

Universum College organized a two-day Info Session to promote the INTERBA project, starting on March 30, 2022. The target groups were students from Albania and Montenegro as well as senior researchers from Kosovo. During both days the participants were introduced to the objectives of the INTERBA project and the benefits of the project in general.
